

Policy Analysis for Long Prairie, Little Falls, Walker, Brainerd & Wadena, MN

John Sisser, University of Minnesota Regional Sustainable Development Partnership, analyzed the Long Prairie, Little Falls, Walker, Brainerd, and Wadena city policies related to the topics of land use, transportation, housing, economic development; parks, trails, open space and recreation; water and natural resources; intergovernmental coordination; and health care. Each topic is analyzed separate in its own document. These supported the development of the Central Minnesota Sustainable Development Plan.
